The following council and staff members were in attendance:

Lydia Bryan-Valdez - Mayor  
Rose McCorkle - Mayor Pro Tem  
Candace Blake - Council member, Place 1  
Tony Valdez - Council member, Place 3  
Tom Lemman - Council member, Place 5  
Christine Doan - City manager  
Harvey Davis - Treasurer

### **2. PLEDGE OF ALLEGIANCE**

- 3. PUBLIC COMMENTS** – Comments will be taken from the audience on agenda or non-agenda related topics. The City Council will make no comments and take no action during Public Comments. Presentations are limited to three minutes.

**Michelle Adams**, an Elliott Ranch resident, submitted a letter of support containing 209 signatures, encouraging the City of Hays to prioritize a regional interconnect in its application to the Texas Water Development Board for grant funding.

### **4. NEW BUSINESS**

- a) **Consider, Discuss, and Authorize the City of Hays to solicit Requests for Proposals (RFP's) for grant administrative services and Requests for Qualifications (RFQ's) for engineering services for all grants, loans, or disaster recovery funds administered through the Texas Water Development Board (TWDB).**

Treasurer Harvey Davis recommended that the City reach out to State Representative Erin Zwiener for support and guidance on potential water projects the City may pursue.

Council Member Blake inquired about the City's priorities for the grant. City Manager Doan responded that, while there are various water-related projects of interest, the City will rely on the selected engineering firm to help identify and recommend projects for inclusion in the grant application.

Mayor Pro Tem McCorkle made a motion to authorize the city to solicit requests for proposals (RFP's) for grant administrative services and requests for qualifications (RFQ's) for engineering services for all grants, loans, or disaster recovery funds administered through the Texas Water Development Board. The motion passed unanimously.

## 5. ADJOURNMENT
